

Appl. No. 10/561,389  
Amendment dated July 9, 2009  
Reply to Notice of Non-Compliant Amendment of July 7, 2009

**REMARKS**

In response to the July 7, 2009 Notice of Non-Compliant Amendment (37 CFR 1.121), copy attached, Applicants submit a new Listing of Claims for the above-identified patent application, which removes inadvertent underlining from the words in claim 12 that were added by the December 11, 2008 Amendment. In other words, "Previously Presented" status identifier of the Non-Compliant Amendment is correct, but this claim inadvertently included underlining from a prior Amendment, which has now been removed. This new Listing of Claims replaces the prior Listing of Claims filed with the March 25, 2009 Response to Election/Restriction Requirement. Applicants believe that the corrected section now complies with 37 CFR 1.121.

Reexamination and reconsideration of the pending claims are respectfully requested.

Respectfully submitted,

/Patrick A. Hilsmier/
